

WONDER WALKS: TRAIL SIGNS

WONDER, AWE & DELIGHT

Wonder nourishes our souls, inviting us to feast on the inexplicable mystery of the Holy, witnessing God's fingerprints in every atom of creation.

We ... are created with a huge capacity for awe and wonder, to see and know the presence of God everywhere and to delight in it ... (Fr. Chris Thomas)

TRAIL SIGNS FOR THE JOURNEY

Trail signs identify routes, provide important terrain details, and include helpful information such as trail difficulty and distance. Biblical *trail signs* guide our journey to the Promised Land, provide important provision details, and include helpful information on such things as hazards and highlights.

The heavens proclaim the glory of God. The skies display his craftsmanship. Day after day they continue to speak; night after night they make him known. They speak without a sound or word; their voice is never heard. Yet their message has gone throughout the earth, and their words to all the world. (Psalm 19:1-4)

What if we leaned into curiosity and gave ourselves permission to experience God with awe and wonder every day?
