HANDS AND FEET

PRAYERS FOR SERVANT-HEARTS

For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do. (Ephesians 2:10)

God delights in working through His people. Every act of service, word of encouragement, and prayer offered in love is part of the good work He has prepared for us to do. God will use our little loaves and fish, multiplying them to feed and encourage His people.

(NOTE: Prayers in black are to *pray with others*. Prayers in teal are to *write to others*.)

PRAYERS TO PRAY WITH AND WRITE TO OTHERS

A WILLING HEART

Gracious God, thank You for the beautiful way You choose to work through willing hearts and open hands, for calling us to be the hands and feet of Jesus in a world aching for hope. Fill us with Your love so completely that it spills into every word we speak and every kindness we offer. When the work feels small or unseen, remind us that nothing done in Your name is ever wasted. Strengthen, guide, and encourage us every step of the way, Lord. Amen.

STRENGTH IN SERVING

Loving Father, thank You for trusting us to carry Your love into the lives of others. Shape our hearts to mirror Christ's gentle, patient, and compassionate heart. When we feel tired, renew our strength and remind us that Your Spirit is at work in and through us. May our hands bring comfort, our words bring hope, and our presence reflect Your tender care. Amen.

LOVE IN ACTION

Lord Jesus, thank You for showing us what servant-hearted leadership looks like. What a privilege to serve others in Your name! Help us to slow down, notice those around us, and respond with kindness and compassion. Let Your love flow freely through us in quiet moments, ordinary conversations, and simple acts of care. When we wonder if we are making a difference, reassure us that You are working far beyond what we can see or imagine. Use us today for Your great glory. Amen.
