GOD MADE YOU SPECIAL!

God made you wonderfully special! He smiles when He sees you using the gifts and qualities He gave you. Think about the things that make you, *you*. What do your parents, teachers, or friends notice about you? Maybe you're kind, helpful, brave, creative, patient, honest, or a great listener. Maybe you love music, sports, reading, drawing, telling funny stories, or giving big hugs. Maybe you're really good at sharing, taking turns, or helping others. In the rectangles below, write or draw three things you like about yourself——special things that make Jesus smile!
