

WORSHIP WHISPERS

Worship the Lord because he is holy.
(Psalm 96:9 ICB)

WORSHIP IS A HEART SONG

Did you know that your heart can sing to God without you ever making a sound? Worship is so much more than singing songs at church or listening to music; it is your heart's response to God's amazing love! It happens whenever you notice His goodness, trust Him when it's hard, or simply say "Thank You, Jesus."

God is always with you, so every minute is a new opportunity to show Him how much He matters to you.
