SNOW-MUCH FUN!

A *SNOW-MAZING* SNOWMAN!

If you could build the most *snow-mazing* snowman in the world, what would it look like? What would you name it?

Add a hat, a scarf, buttons, stick arms, and the silliest snowman face you can imagine!

BLAZE A TRAIL OF KINDNESS

Pull on your boots—it's time for a kindness adventure with Chilly Charlie! He knows what it feels like when everyone else is zooming ahead. Sometimes he needs help or has to find another way to do something that seems easy for others. That has taught Charlie something pretty cool: we don't all have to be alike!

Sometimes the kindest thing we can do is notice when someone feels left out, frustrated, or alone.

Maybe you could:

- SPOT someone sitting alone, then sit beside them.
- LEND A HAND when someone needs help.
- SLOW YOUR STEPS and wait for someone who needs extra time.
- SCOOT OVER and invite someone to play.
- SHARE A SMILE and tell someone what you like about them.
- STOP AND PRAY for someone having a hard day.

Who will you invite on your kindness adventure today?

WHEN THINGS FEEL FROSTY

So don't worry, because I am with you. Don't be afraid, because I am your God. I will make you strong and will help you. (Isaiah 41:10 ICB)

One of Charlie's arms works a little differently. Sometimes that makes certain things harder for him—but Charlie knows that *different* doesn't mean less. We all have things that are easy for us and things that are hard. When something feels difficult, or you get frustrated because you can't do it the way someone else does, put your hand over your heart and say:

Jesus is with me.
Jesus will help me.
Jesus loves the way He made me.

FOLLOW THE SNOWY FOOTPRINTS

Ask a grown-up to help you cut out five paper footprints. On each footprint, write a simple challenge: *help, share, encourage, pray, or thank.* Arrange them in a trail around the room. Follow the trail and think of one way to do what each footprint suggests.

FREEZE PRAISE!

Turn on your favorite song and move, wiggle, twirl, or dance. When someone calls "FREEZE!", stop like a frozen icicle and shout one thing you're thankful for. Then start the music again and keep going!
